

§ 160A-676. Authority to fix and enforce rates.

(a) A district may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties made applicable throughout the district for the gas services. Schedules of rents, rates, fees, charges, or penalties may vary according to classes of service. Before it establishes or revises a schedule of rents, rates, fees, charges, or penalties, the district Board of Trustees shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing.

(b) A district may collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts. A district may also discontinue service to any customer whose account remains delinquent for more than 30 days. When service is discontinued for delinquency, it shall be unlawful for any person other than a duly authorized agent or employee of the district to do any act that results in a resumption of services. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises, but this restriction shall not apply when the premises are occupied by two or more tenants whose services are measured by the same meter.

(c) Rents, rates, fees, charges, and penalties for services shall be legal obligations of the person contracting for them and shall in no case be a lien upon the property or premises served.

(d) Rents, rates, fees, charges, and penalties for services shall be legal obligations of the owner of the premises served when the property or premises are leased or rented to more than one tenant and services rendered to more than one tenant are measured by the same meter. (1997-426, s. 2.)
